

## LABORATORIO LETTO-SCRITTURA (GRANDI)

Obiettivi delle attività proposte:

- Riconoscere la vocale E
- Migliorare la motricità fine
- Migliorare la coordinazione oculo-manuale
- Rielaborare graficamente una storia ascoltata

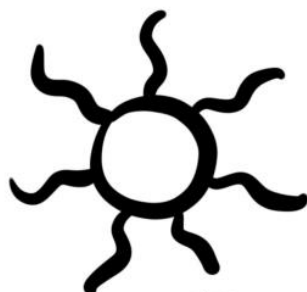

E

Handwriting practice section consisting of six rows of dashed uppercase letter 'E' for tracing on a three-line grid.

-Storia di Eddy, l'elefantino con il naso corto

## EDDY, L'ELEFANTINO CON IL NASO CORTO

C'era una volta un piccolo elefante di nome Eddy che era nato, poverino, col naso corto. Non poteva affatto mangiare: per raccogliere l'erba in terra era troppo alto, per mangiare le foglie degli alberi era troppo basso. Si mise allora a piangere e ad invocare aiuto. Gli altri animali della foresta sentirono il suo pianto, pensarono di aiutarlo e si riunirono in assemblea. La volpe propose:

- Leghiamo una corda al naso dell'elefantino, tiriamo tutti insieme e il naso si allungherà.

Così fecero. Col tirare, il naso dell'elefante si allungò fino a diventare una rispettabile proboscide.

Eddy fu tutto contento: finalmente poteva mangiare. (Selvi)

## LABORATORIO LOGICO-MATEMATICO (GRANDI)

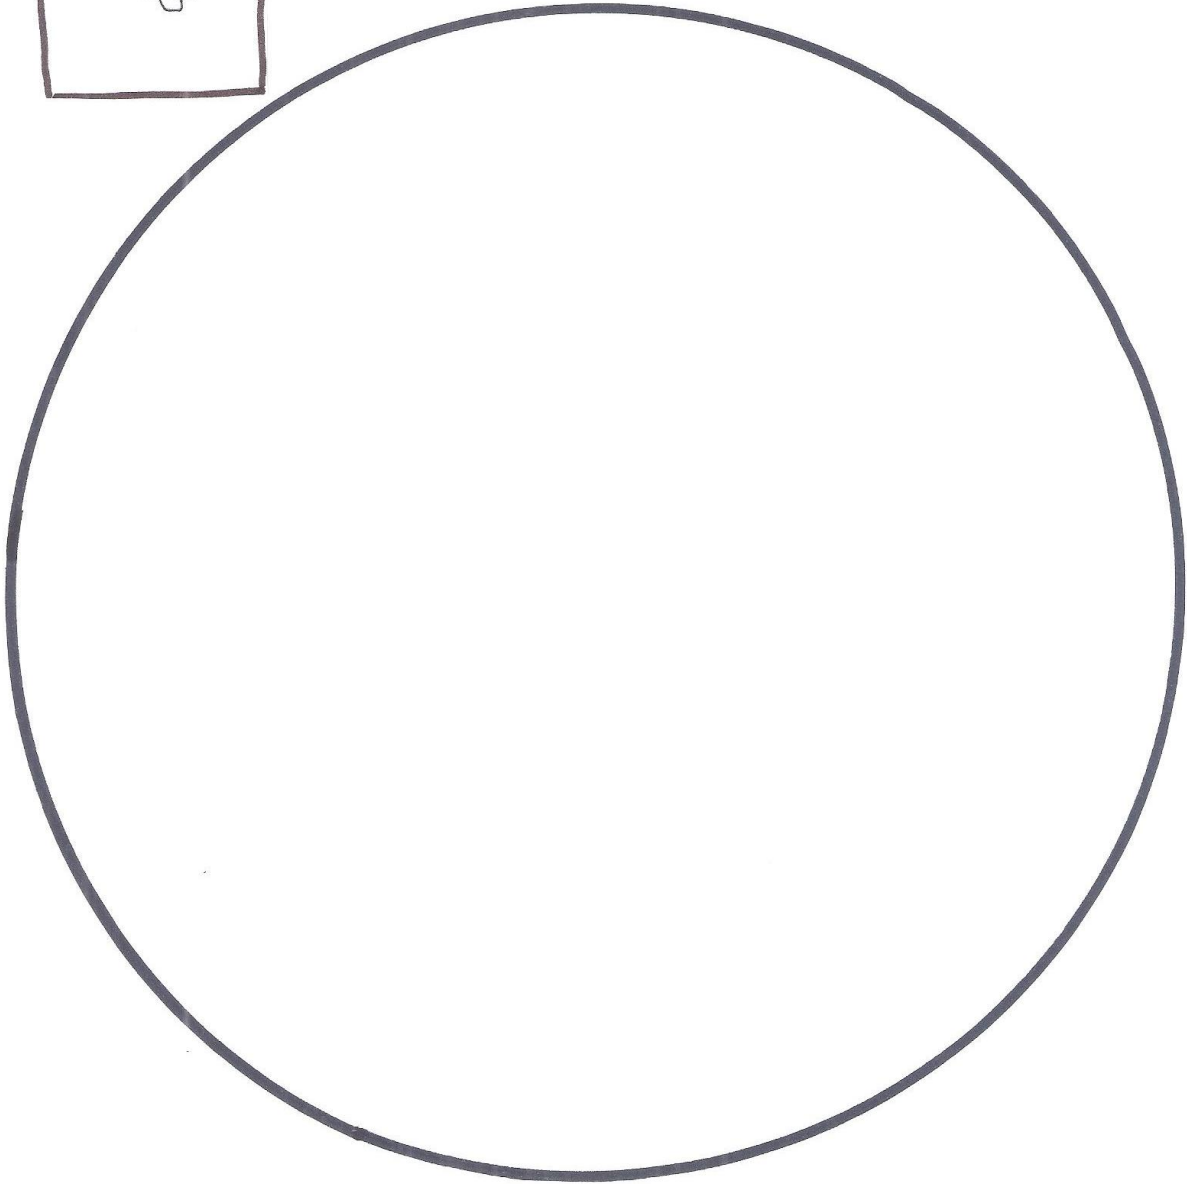

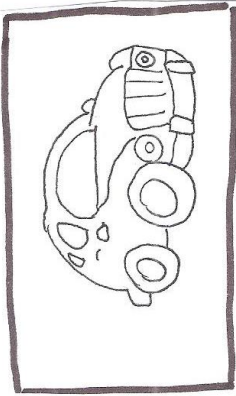

### Obiettivi delle attività proposte:

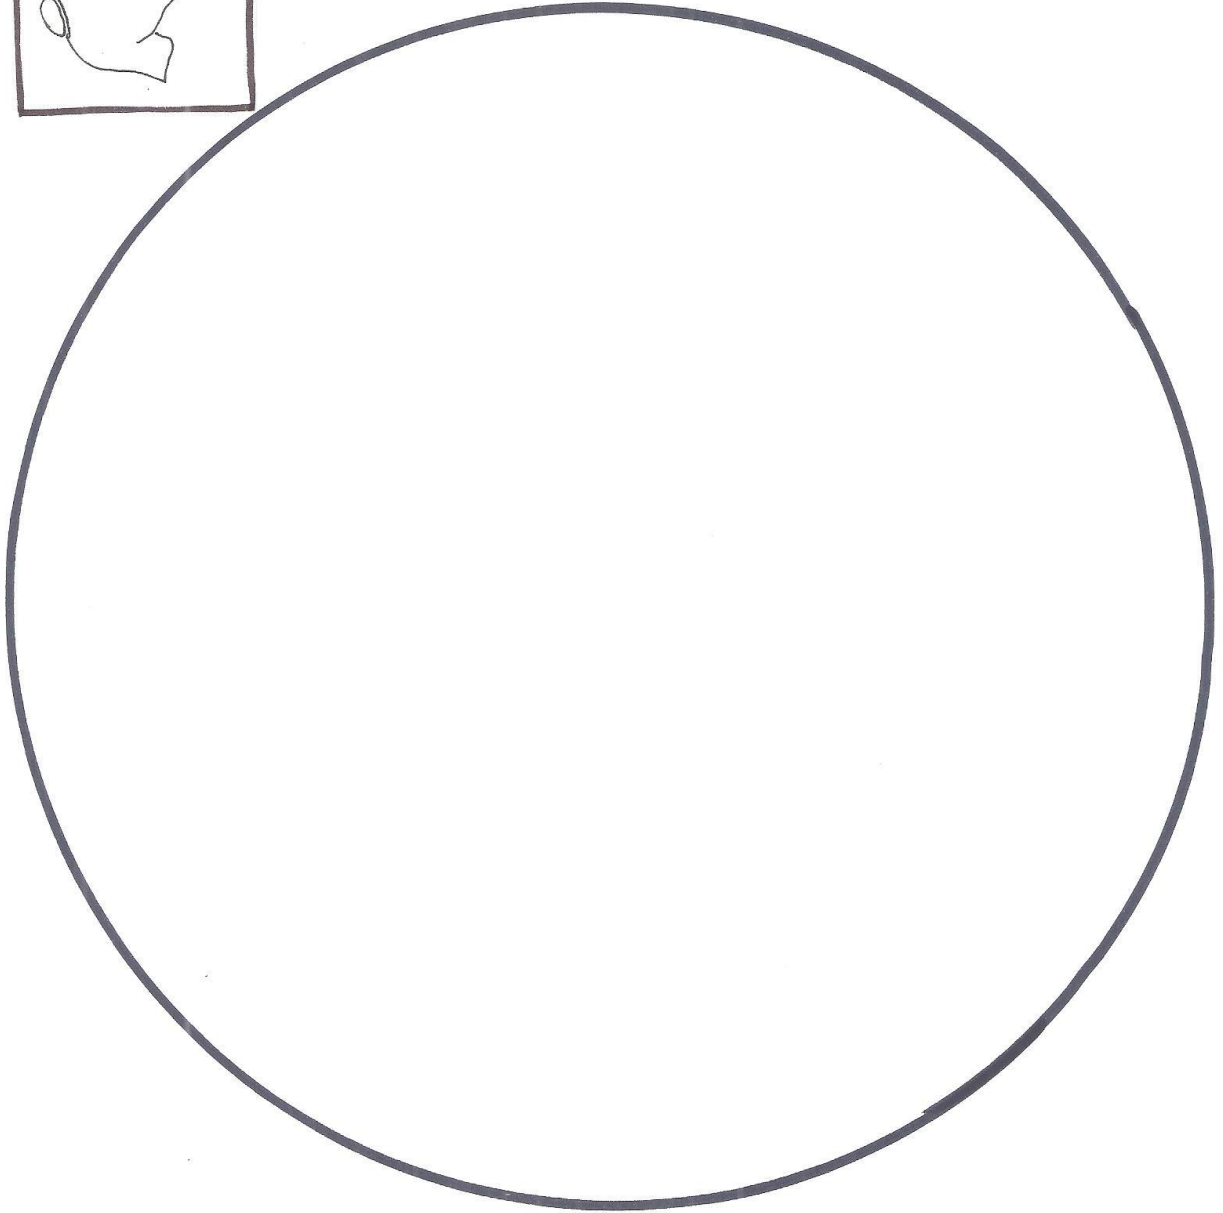

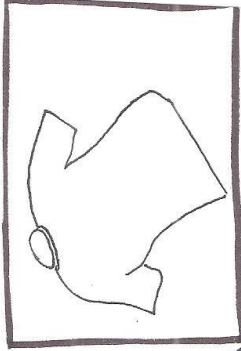

- Classificare immagini secondo un criterio dato
- Favorire la concentrazione e l'attenzione

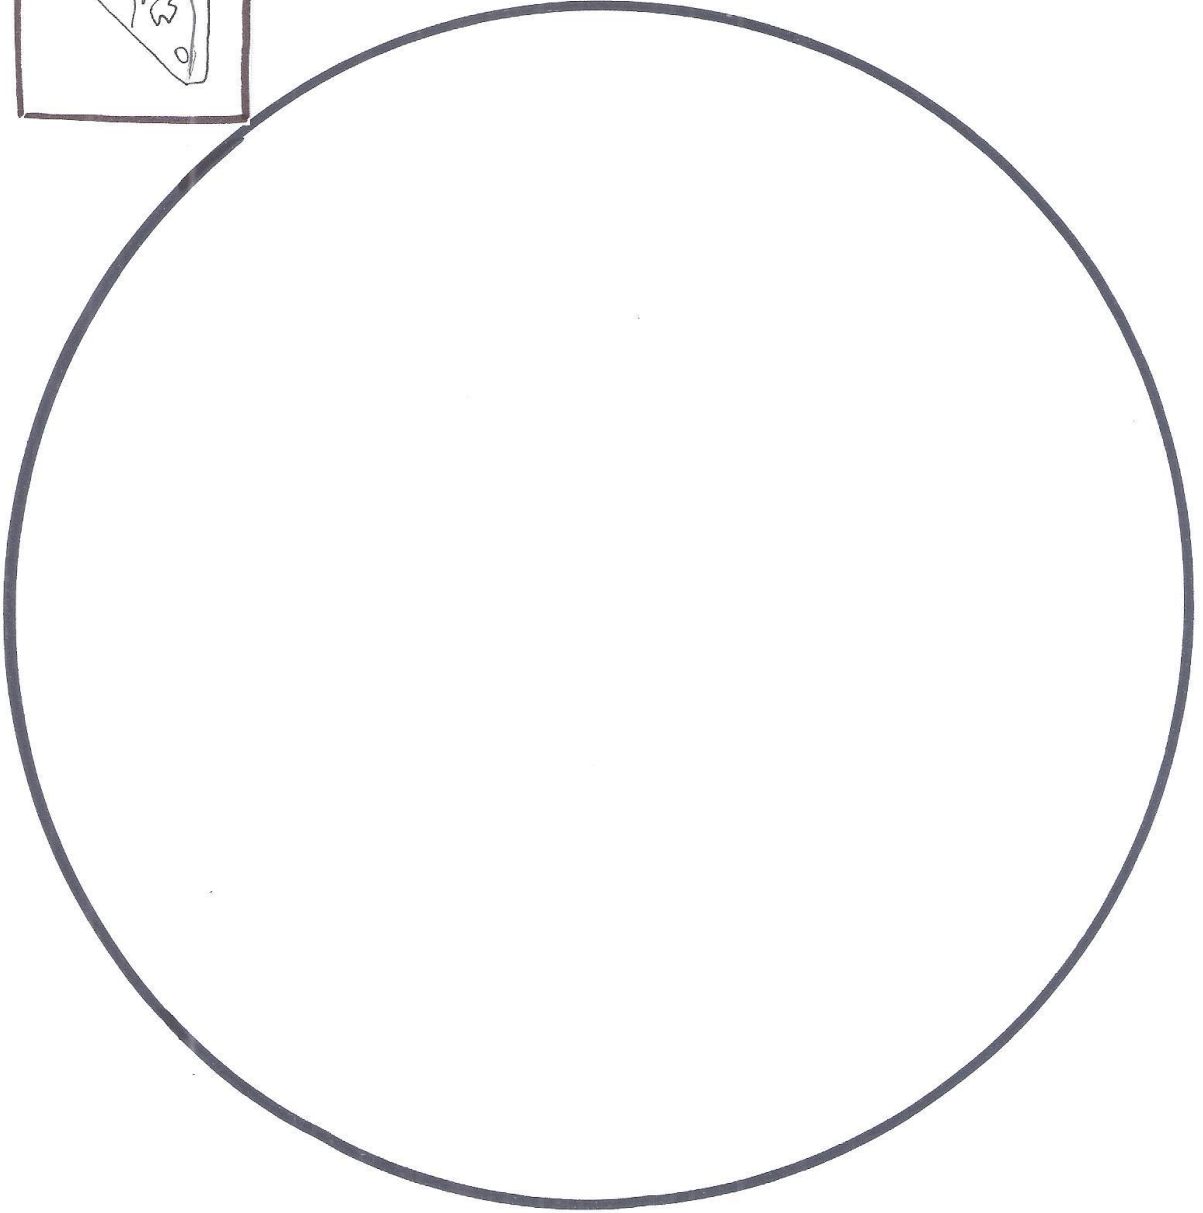

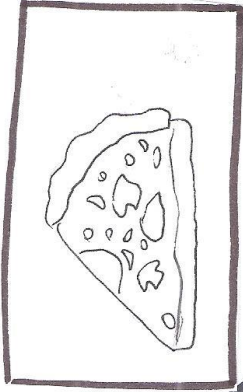

Immagini da colorare e ritagliare per gioco di classificazione

Insiemi da utilizzare per gioco di classificazione

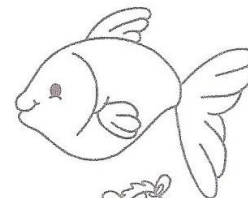

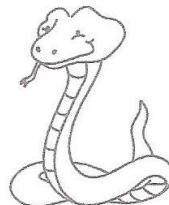

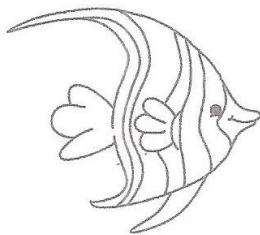

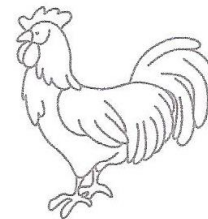

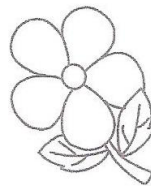

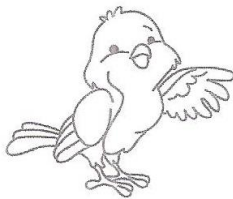

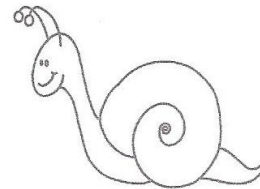

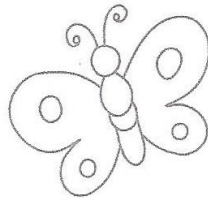

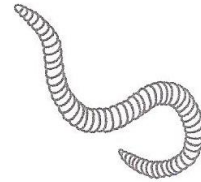

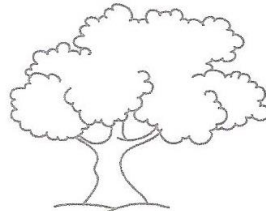

Schede classificazione da completare

Nome ..... Cognome ..... Data .....

## LE CLASSIFICAZIONI

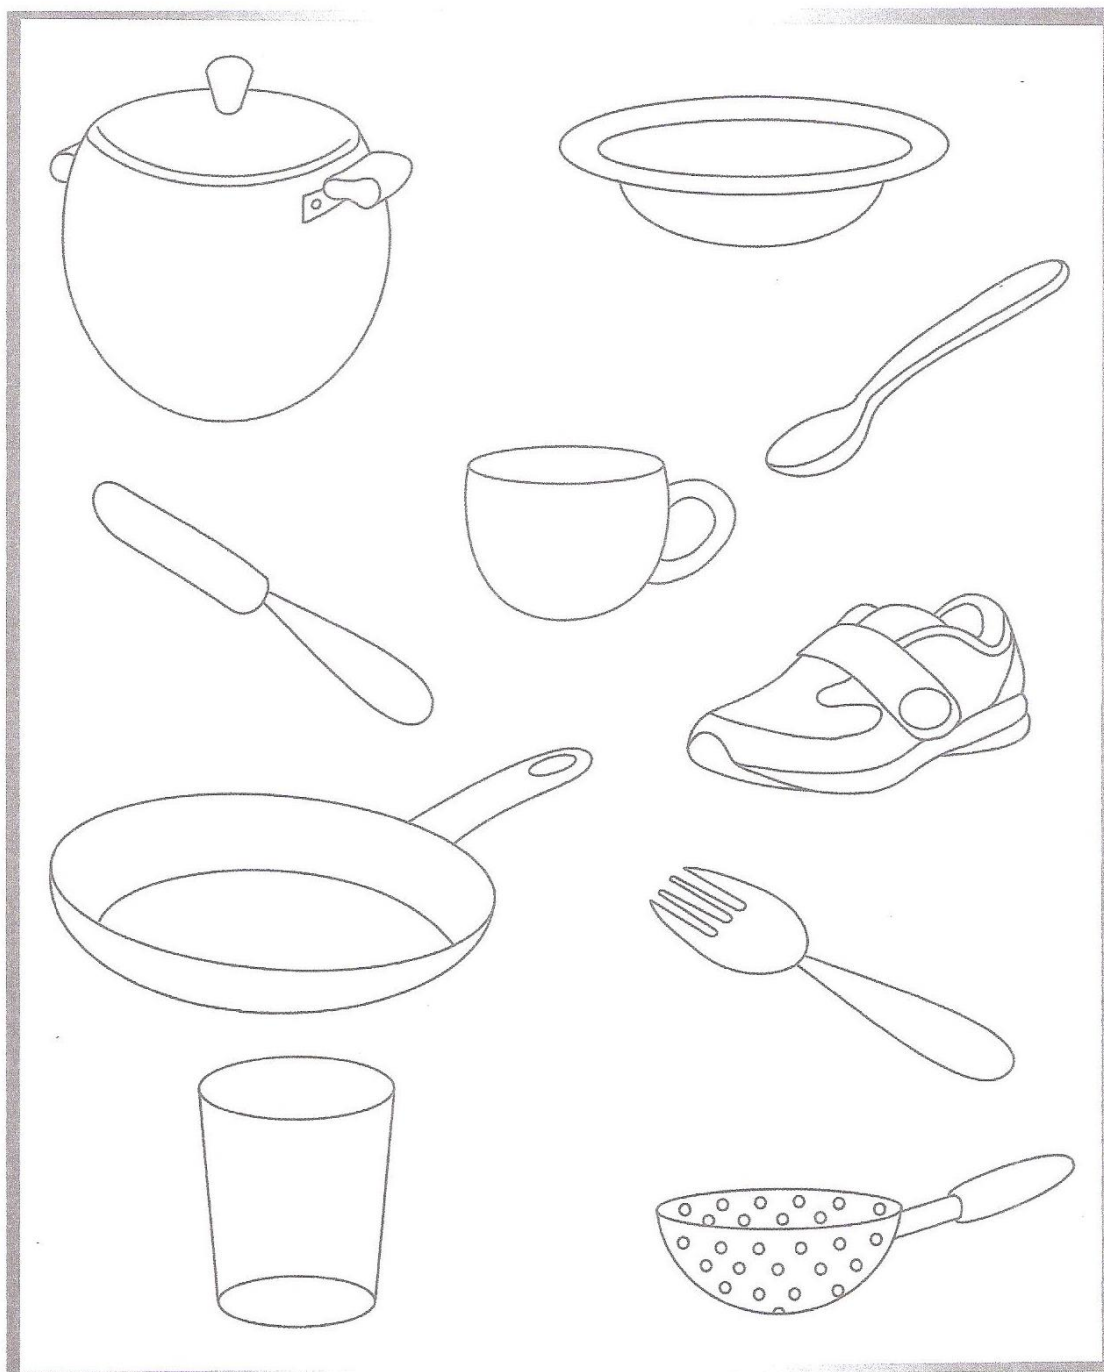

### ATTIVITÀ LOGICA

**Indicatore:** Il bambino esegue classificazioni in base a un criterio

**Attività:** L'insegnante invita il bambino a osservare le immagini, a denominarle e a chiudere in un cerchio solo gli animali

Nome..... Cognome..... Data.....

## LE CLASSIFICAZIONI

### ATTIVITÀ LOGICA

**Indicatore:** Il bambino individua l'elemento estraneo in una raccolta di elementi

**Attività:** Il bambino osserva le immagini racchiuse nell'insieme. L'insegnante lo invita a individuare l'elemento estraneo e a chiuderlo in un cerchio
